

Tuesday 17th October

Task: Write a recount of our science rocket afternoon.
You will need to decide on the success criteria.

- Past tense
- Correct punctuation
- Handwriting
- Spellings
- Finger spaces
- detail

The flying rocket

Soon we went in the Hall in the hall was Nick. He first showed us a video of him when he had his first train track. Nick made a bridge with his arms. he showed us a famous scientist his name was Albert Einstein he was very rich but he spent his money to make the world a better place. Soon Nick fired a paper rocket across the hall. But we went bigger and better it was a metal rocket it was powered by a battery it went on fire it came down by power soot. When we came in we watched a video how to make a rocket it was made out of a bottle, paper, pens, vinegar and baking powder they didn't go high but most people got what of vinegar!
