Dear Claire,

afPE Quality Mark for Physical Education & Sport - Distinction

Thank you for your re-application for the Quality Mark for Physical Education & Sport award.

The assessment panel has considered your application, together with the feedback from the validation visit, and afPE is delighted to award your school the **Quality Mark with Distinction** for '**demonstrating outstanding commitment to improvement in Physical Education and Sport**'.

Your award is valid for three years, commencing July 2018.

Your validator has outlined the following development targets:

- Further attempts to work closely with the secondary feeder school/s. This has been attempted with little success before where the secondary school/s have been invited to events and CPD but have not responded, but I would recommend pursuing this as it will enhance the transfer process.
- The more formal use of year 5/6 as mentors for year 3/4 play leaders. This will support the soft skills of leadership and responsibility for their future aspirations.

You will receive a certificate, an engraved plaque and your school will also be listed on the afPE Quality Mark webpage. In addition the Association will submit a report to the Department for Education (DfE) which will include details of the successful applicants.

On behalf of the Association, I would like to offer you our congratulations.

Yours sincerely,

A handwritten signature in blue ink that reads "Sue Wilkinson".
