

Weekly Newsletter 26th September 2019

Dear Parents,

The new children in Owlets are settling in well. This is the second week that they have now been full time, and I have been particularly pleased with the way that their 'Buddies' in Eagle Owls have looked after them. Well done to Freya, Morgan, Noah, James, Luca, Olivia, Corey, Louis, Fergus, Keegan, Cade, Annabelle, Daisy and Toby.

Barn Owls have enjoyed a visit this week from the Norfolk Music Service. As part of our subscription to a new exciting music programme called 'Charanga', they will also be having a term of lessons with various percussion instruments including steel drums.

Children in Barn Owls and Eagle Owls are also currently enjoying a visiting sports teacher on Thursday afternoons to teach them how to play TAG rugby. We are hoping to have a team to enter the Norwich SSP TAG rugby competition later in the year. Eagle Owls children will be participating also in the Norwich SSP football league after half-term at the UEA.

A reminder that tomorrow afternoon 2:30—3:30p.m we will be holding a Macmillan cake sale in the hall. All welcome. Parents wanting to attend with their children, should first collect from the classrooms so that they can be crossed off the class register to leave early.

Next week (Thursday October 3rd) is the Friends AGM at school- start 7.30pm. All welcome to attend.

The recipient of this week's
Head Teacher award is:

Parents and Children needed

Would you and your child be willing to help Clinical Psychology trainees learn about child development?

We are looking for babies and children up to 11 years old to attend our **Child Development day** at the UEA.

The Child Development day has been successfully running for many years. It is designed to help Clinical Psychology trainees learn about how children develop in a variety of ways (cognitively, emotionally, socially etc). The aim is to provide trainees with some experience in talking to children and parents as part of their preparation for clinical work in the NHS.

The day will take place this year on morning of **Tuesday 22nd October**. Children under 5 will need to be accompanied by a parent at all times but older children will be supervised by the trainee psychologists.

Each child who takes part will receive a book voucher and snacks and drinks will be provided.

If you are interested in taking part or would like to find out more details please contact

andrew.sanders@uea.ac.uk or Call 01603 592693.

Please feel free to pass these details on to anyone you know that may be interested.

THANK YOU!
