

Christopher Columbus Colony Plan

To understand key events from the explorations of Christopher Columbus.

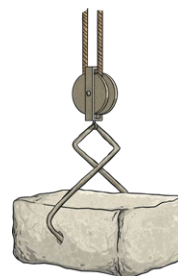

You are Christopher Columbus. You must set up a new colony in the Americas. What would you need to create a successful colony?

What farming equipment would you bring?

What building materials would you need?

What clothes would you pack?

What jobs would people need to be able to do?

What hunting equipment would you require?

Christopher Columbus Colony Plan

To understand key events from the explorations of Christopher Columbus.

Imagine you are Christopher Columbus tasked with setting up the first European colony in the Americas.
What would you need to take for your colony to thrive?

Farming Equipment

Building Materials

Hunting Gear

Clothing

Jobs

Christopher Columbus Colony Plan

To understand key events from the explorations of Christopher Columbus.

Imagine you are Christopher Columbus tasked with setting up the first European colony in the Americas. What would you need to take for your colony to thrive? Write your ideas under each heading in the order of importance, most important to least important.

Farming

Building

Hunting

Clothing
