

## Weekly Newsletter 17th September 2020

Dear Parents,

We are all really pleased with the positive way that the children have returned to school. They have adjusted very well to the various new rules and procedures, and seem very happy to be back in school learning with their friends, and I know that the staff are all delighted to see them.

Thank you all for your support in adjusting to the new routines at drop off and pick up times. We have tried to make as much space as possible outside for adults to wait in after school to facilitate social distancing, and also to keep the different bubbles of children separated. To further help with this we are also now going to open the side path as an additional optional one-way exit from the playground so that people can leave this way, if they wish, to avoid any larger congregations at the mouth of the car park. Please also feel free to wait inside the car park if you need more space.

It is apparent that at the moment there are sometimes delays for children and families in accessing tests for Coronavirus. Hopefully these issues will be resolved quickly. From Monday, the 'Home Learning' page on the school website will have some activities on it for any children who are at home and self-isolating whilst they await test results. We will also keep in contact with children in these circumstances so that the disruption to their learning is as minimal as possible. Please also feel free to contact the school if there is any other support that would be useful in these circumstances.

Finally, next week we will return to offering hot lunches as well as packed lunches. Click on the following link to view the menu <https://www.vertas.co.uk/wp-content/uploads/2020/08/SF3154-Eats-Menu-Sept-20201-FINAL.pdf>
