

Mathematics:

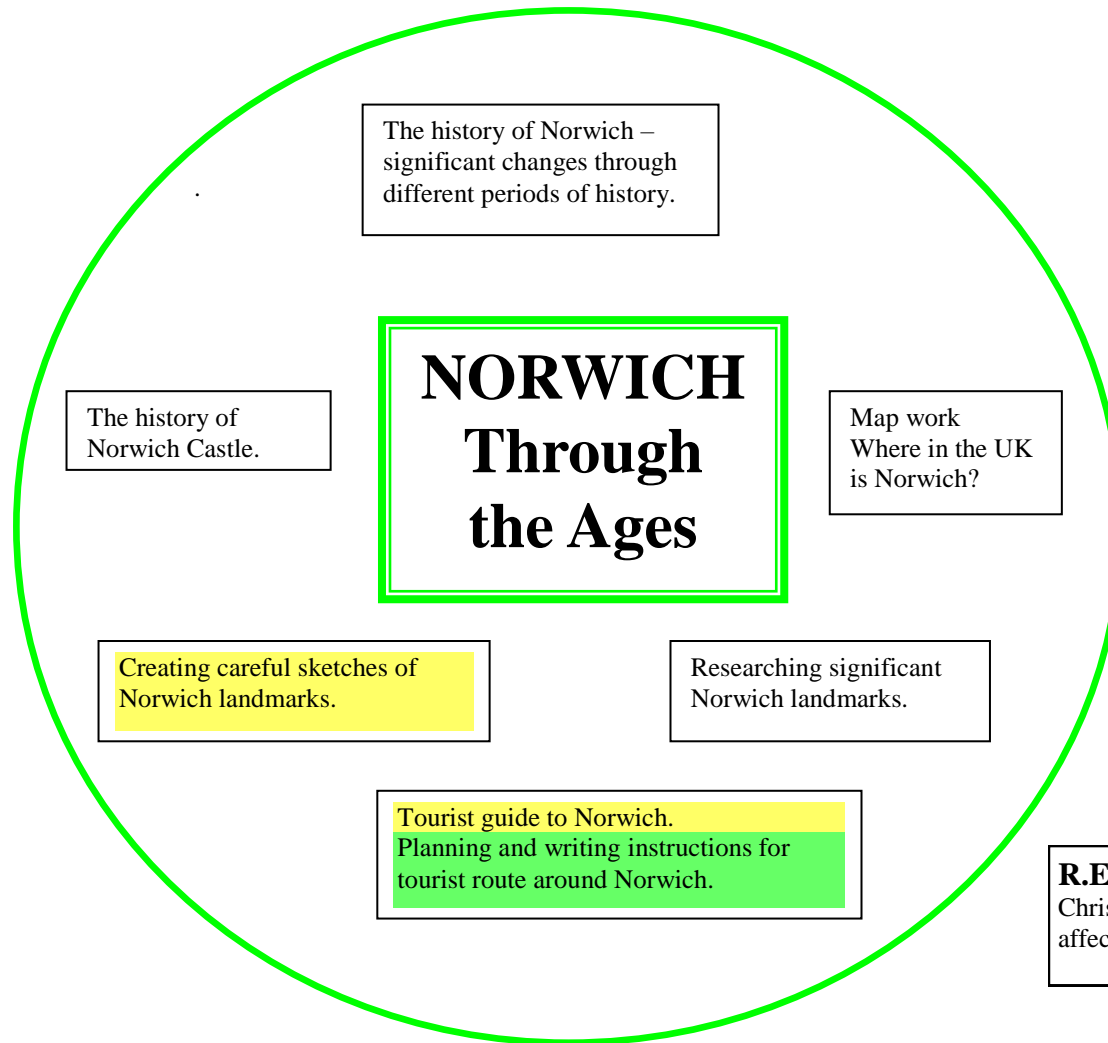

Areas to be covered:

- Growth Mindset – Inspirational Week of Maths
- Mental and written multiplication and division and using the inverse operations to check.
- Length, perimeter and area.
- Reinforcement of mental and written addition and subtraction through word problems involving money and measures.
- Daily Mini-Maths arithmetic
- Big Maths weekly challenge on Friday.
- Times Tables - by the end of Year 4, the national expectation is that children should know all of their times-tables facts up to 12 x 12.

Science:

Magnets, springs and forces

- compare how things move on different surfaces
- notice that some forces need contact between 2 objects, but magnetic forces can act at a distance
- observe how magnets attract or repel each other and attract some materials and not others
- compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials
- describe magnets as having 2 poles
- predict whether 2 magnets will attract or repel each other, depending on which poles are facing

The history of Norwich – significant changes through different periods of history.

The history of Norwich Castle.

Map work
Where in the UK is Norwich?

NORWICH
Through
the Ages

Creating careful sketches of Norwich landmarks.

Researching significant Norwich landmarks.
