Dear Parents and Carers,

To support reading at home there are some excellent online resources to try. One of these is:
https://www.oxfordowl.co.uk/for-home/

Click on the big pink button at the top of the page that says 'My Class Login'.

These are the login details:

Owlets
Username: owlets12 Password: owls

Click on 'My Bookshelf' and this will take you to lots of online e-books.

Sort by age and then choose a book that matches the colour children are currently on.

Please try these resources out and feel free to let us know how you get on.

Thank you

Miss Church
