

Here are some fun things that you might like to do over the summer time to keep you busy and get you ready for starting school!

Practice learning to recognise and write your name! It will be really important to be able to recognise your name at school so that you can find your peg and your tray!

Here are a few ideas to help you:

- Use bath letters or magnetic fridge letters
- Use chalks to write your name outside on your patio
- Paint your name
- MESSY IDEA! Spread shaving foam in a tray and use your finger to write your name in the foam!
- Cut out and decorate the letters in your name using coloured paper and any crafty bits you have at home!

Read lots of stories! See if you can retell some of your favourite stories with your family or friends. Use the pictures to help you!

Use a shoebox or similar sized cardboard box to fill with things that represent you!

Perhaps could add a photo of your family or pets, any objects that are special to you or things that could be unique to you as a little person!

You could decorate your box as well to make it look special.

Some other ideas: Draw a picture, do some baking, have a picnic, make a den, play hide and seek, ride your bike, have a water fight, go for a walk, visit somewhere new, look for numbers, decorate a pebble, make a sandcastle!
