Newsletter 1st July 2021

Dear Parents,

It's been a particularly full week in school, with lots of exciting events going on. Barn Owls enjoyed a super visit to Amazona Zoo in Cromer- see pictures below. They also entertained the younger children in the school as spectators to their erupting volcanoes on the school playground! Have a look at the video link below to watch a couple of these in action- and some very excited children! <https://youtu.be/h53z13Pkxe0>

Last Friday we also all enjoyed a visit from Norwich Sports Partnership to run a whole school 'Day of Calm'. The visiting teacher spent time with each class in a circle time modelling some useful mindfulness and calming down strategies. Year 6 Eagle Owls have also begun their 'Bikeability' training. This is offered every year to children in Eagle Owls as part of the PE curriculum. You may have seen them around the village!

Summer Holidays commence
Thurs 22nd July 2021

Exciting News for September!

After many years of service, our old school mobile will be demolished and replaced in the summer holidays. This has been a long-standing objective for the school governors and myself, and we are delighted to now be in a position to bring the project to fruition. The new modular classroom has air-conditioning and insulation and also includes a built-in intervention room and new interactive whiteboard as part of the design, and will be of significant benefit to the school. Thanks in particular should go to Mr Herculson (Ben and Thea's Dad) for skilfully and tirelessly leading and managing the project on our behalf. I am planning to film the demolition of the old one to share with all the children over the summer!

Yours faithfully
