

Pencil Shaped Interactive Book Review

Instructions

1. Cut around all of the shapes following the solid black line
2. Complete your book report. Filling out all the sections of the report.
3. Fold and Glue The Plot to the pencil shape underneath By:
4. Continuing with the same shape, fold and glue to form the underneath of the pencil. The shaded shapes are to match the unshaded shapes when gluing.
5. Taking the second shape, fold along all the lines following the folding guides above.
6. Place the two pieces together as shown in the picture. You can use glue to make the book report more secure.
7. Close up your book review to complete.
