Newsletter 3rd March 2022

The children enjoyed our special financial education day last Friday with visitors from Yorkshire Bank. The younger children learnt some basics about money and how to look after it, and the older ones engaged in an interesting project about fixed and variable costs when planning a birthday party!

Well done also to our Year 6 team who attended the Maths quiz event last Friday. They enjoyed the experience and all worked really well together and were excellent ambassadors for the school, also finishing in creditable middle positions in the competition.

Good luck to our Year 1 children who will be attending a schools cricket event next week. This is another great opportunity to represent the school in an inter-schools event, and I am sure they will enjoy the experience.

Finally, there are some really excellent costumes today to mark World Book Day – well done to everyone for taking part, and no doubt to lots of adults at home for helping the children with their costumes and decorated vegetables! Next week's newsletter will include lots of pictures of the day.
