Newsletter 12th May 2022

Dear Parents,

First of all, well done to all of the Year 6 children for trying hard and coping well with their SATS tests this week. In common with children across the country, they have had a really disrupted period in school because of Covid, but nonetheless have certainly given the tests their best efforts.

Barn Owl children enjoyed a brilliant visit to Strangers Hall on Wednesday, as part of their Tudor topic. The children received glowing praise from the staff at the museum for their excellent behaviour, and they were also all very proud to show me some of the things they had made during the day. There are some pictures elsewhere in the newsletter.

Also this week, the group of children in Reception and Year 1 who have been taking part in Mini Riders, reached the point in the course where they started to ride independently. We have all been really impressed with the progress they have made, and hopefully this will be the start for many of them of a life-long ability to cycle.
