Newsletter 22nd July 2022

Dear Parents,

For the final newsletter of the year, there are lots of photos from some of our recent events- including an excellent Den Day yesterday! It has also of course been a particularly busy time for our Year 6 leavers, and once again the Eagle Owls team have pulled out all the stops in making sure that they all have an enjoyable and memorable end to their primary school years. It has been a pleasure working with all of the children over the years, and we of course all wish them the very best for the future.

I am delighted to inform you that we have now been able to appoint a new and experienced school secretary for September. Mrs Springall has worked in a number of other local schools and academies, and I'm sure will be a very valuable addition to our team. Thank you to everyone for bearing with me over the last half-term since Mrs Austin left. It has been incredibly challenging to try to do both jobs over this period, but I hope that I have at least managed to keep everything largely in working order and shielded the children from any impact on their education.

Finally, thank you all for your generous support across the year, and through all of the various challenges we have faced- including late delivered mobile classrooms, Covid outbreaks and of course this week's extraordinary temperatures. I hope that you all have an excellent summer break with your families, and I look forward to seeing you all back in September.
