Welcome

Please come in and take a seat

Your child will join you shortly

Agenda

1. Introduction
2. Read through chosen book with your child.
3. Quiz as a team.
4. Change book.
5. Q&A

Introduction

Accelerated Reader is introduced in Year 2.

Children will move beyond simply reading words to **understanding what they have read and making inferences about the text**.

To support this, all children have been given **comprehension question examples** in their Reading Records and a **bookmark** to use at home.

What Accelerated Reader looks like in Year 2:

Star Quiz

- At the start of the year and each half term, children complete a **Star Reader assessment**.
- The assessment contains **34 short comprehension questions**.
- Their score gives them an appropriate **reading range** (e.g. **2.1–3.1**).

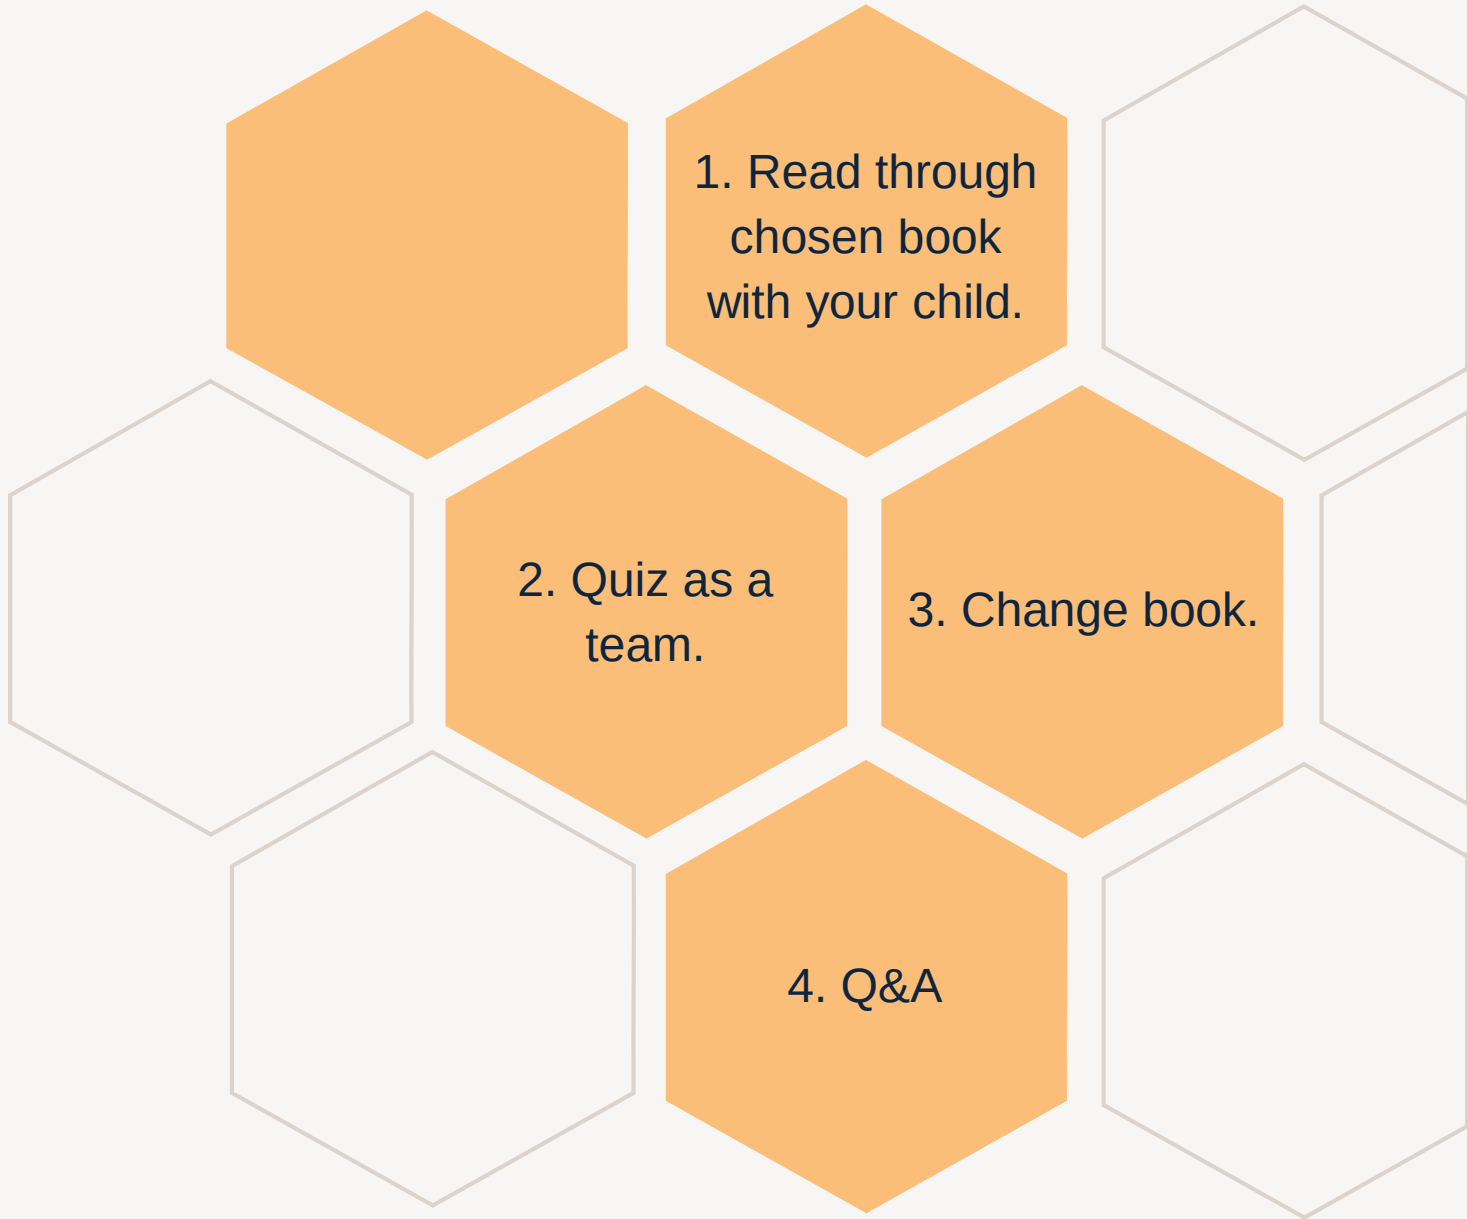

Accelerated Reader Quizzes

- Children choose a book **within their Star Reader range**.
- They read the book **independently and with an adult**, with an adult signature as evidence.
- They then complete a **short comprehension quiz** on the book.

Quiz Scores

- Consistently scoring **100%** may indicate that the books are too easy.
- A score range of around **60–80%**, with some 100% scores, is ideal.
- Teachers carefully monitor progress and may **keep children at the same level or adjust their level** to ensure the right level of challenge. Please **trust our professional judgement** when choosing the most appropriate reading level.

Agenda

1. Read through chosen book with your child.
2. Quiz as a team.
3. Change book.
4. Q&A

Thank you for your continued support of reading

Any queries please do come up to me when dropping off/picking up your children or please write a message in your child's reading record.
